F.A.P. No. H972323

An outline of the desired scope of work is available on the North Delta Regional Planning and Development and OCOG/MPO website (www.northdelta.org). Contract services are expected to commence after the contract is awarded at the **May 27, 2019** Monroe MPO-Ouachita Council of Government's Transportation Policy Committee meeting and will be completed by **August 1, 2019**. All interested firms are invited to submit their qualifications for undertaking the above study. This project and OCOG Notice to Proceed are predicated upon federal funding authorization.

Interested firms shall furnish sufficient technical and supervisory personnel to ensure expeditious completion of the work.
