

In compliance with State and Federal guidance, we are currently teleworking. Please email us for technical assistance or leave a message at 318-387-2572.

While we are observing “shelter in place”, we are looking toward to a mode of economic recovery, and North Delta will continue updates our website to communicate relevant information from the Economic Development Administration and other agencies on economic recovery opportunities, resources, and activities. Please review the following information that may be pertinent to your community or business.

Another resource opportunity that you may find helpful is the IEDC Webinar, COVID-19: Preparing for What Comes Next that was held Monday, March 23. If you missed it, you can download the webinar recording: [CLICK HERE](#). Additionally, IEDC has the website Restore Your Economy (<https://restoreyoureconomy.org/index.php>) that has also incorporated information in response to COVID-19.
